THE CLIMATE CITY CUP

POWERED BY  and  FuturICT 2.0

WHAT IS THE CLIMATE CITY CUP (CCC) ABOUT?

The Climate City Cup is your chance to collaborate in fighting climate change on the city level without waiting for regulatory pressure. Our disciplines include: emissions, circularity (e.g. recycling activity), mobility (e.g. use of public transport), and more.

WHY?

We do not want to leave our children a world that is uninhabitable!

WHO STANDS BEHIND THE CLIMATE CUP?

Researchers, NGOs, climate organizations and individuals that feel the need to engage in global issues NOW!
